RE: OPLA11-039, 2010FOIA4923

Dear Mr. Fleming:

This is in response on remand to your letter dated October 19, 2010, appealing the adverse determination in response to your Freedom of Information Act/Privacy Act (FOIA/PA) request. The initial request asked for records regarding each detainer issued by DHS to another law enforcement entity on or after July 1, 2007.

U.S. Immigration and Customs Enforcement (ICE) initially denied your request in part by conducting a search which failed to provide a document explaining the “Detainer Lift Reason Code” and the “purpose of inquiry” note. ICE remanded your request for re-processing to search for additional responsive documents.

A search by the ICE Office of Enforcement and Removal Operations (ERO) and the Office of Homeland Security Investigations (HSI) produced two pages of responsive records. After review of these records I have determined that the records can be released in full, without any exemptions.

Should you have any questions regarding this appeal closure, please contact ICE at ice-foia@dhs.gov. In the subject line of the email please include the word “appeal”, your appeal number, which is OPLA11-039 and the FOIA case number, which is 2010FOIA4923.

Sincerely,
